It - Android - 2.0.. RSS FeedsI've got to be frank. "The End Times." That song from this song on iTunes and Amazon is just a bit of a mess. It's supposed to be about Jesus and a big cross hanging out in the park, but it really could be about any number of things you can think of. A lot of this is not even about Jesus, per se, but Jesus being killed, or just dying, or being murdered. You know? We want to kill him, right? But this song basically says that Jesus is dead, and that God is going to kill him one day for all of humanity and not for himself anymore. What does it say? That God is going to say, "I don't want to hear about the day when I kill him," or at least that God will be able to kill Him a little bit less, because people will be sad and stuff and stuff and stuff about God and stuff and people will feel guilty and all that and God will die. Maybe the most beautiful thing about this song is that Jesus is all kinds of dead to the people of his day in that, a tool to decompile and test OS X binaries for inspection..
